

SALESFORCE RECORD

The screenshot shows a Salesforce interface for creating a new record. The title bar says "Salesforce - Create SAL0001008". The page has two columns of input fields:

Admin Number	SAL0001008	Father Name	<input type="text"/>
Admin Date	<input type="text"/>	Mother Name	<input type="text"/>
Grade	-- None --	Mother Cell	<input type="text"/>
Student Name	<input type="text"/>	Father Cell	<input type="text"/>

Below the form is a "Submit" button.

ADMISSION RECORD

The screenshot shows an admission record creation page. The title bar says "Admission New record". The page has two columns of input fields:

Admission Number	<input type="text"/>	Admin Date	<input type="text"/>
Purpose of join	-- None --	Grade	-- None --
Student Name	<input type="text"/>	Fee	\$ <input type="text"/> 0.00
Father Name	<input type="text"/>	Father Cell	<input type="text"/>
Mother Name	<input type="text"/>	Mother Cell	<input type="text"/>
Comments	<input type="text"/>		

Below the form are tabs for "School Details" and "Address". Under "School Details", there is a dropdown for "School Area" set to "Near Market" and a dropdown for "School" set to "-- None --". A "Submit" button is at the bottom left.

PROGRESS RECORD

The screenshot shows a ServiceNow interface for creating a new record. The top navigation bar includes links for All, Favorites, History, Admin, and a search bar labeled 'Progress - Create Created ☆'. Below the header, there are several input fields:

- Admission Number: A text input field.
- Admission Number.Grade: A dropdown menu showing '-- None --'.
- Admission Number.Student Name: A text input field.
- Admission Number.Father Name: A text input field.
- Admission Number.Mother Name: A text input field.
- Admission Number.Father Cell: A text input field.
- Admission Number.Mother Cell: A text input field.

Below these fields is a section titled 'Student Progress' with a collapse arrow. This section contains a table with six rows, each representing a subject and its corresponding score input field:

Subject	Score	Total	Percentage	Result
Telugu	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Hindi	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
English	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Maths	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Science	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Social	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

At the bottom left of this section is a 'Submit' button, and at the bottom right is a refresh icon.

11. Advantages

- Accessible from any location with cloud support.
- Automation reduces manual workload and increases accuracy.
- Customizable for various educational institution needs.
- Integrated system for admissions, student records, and performance.
- Secure and role-based access control.

12. Disadvantages

- Requires prior knowledge or training in ServiceNow for effective use.
- Complex customization may be time-consuming.
- Enterprise usage may involve licensing costs.

13. Future Scope

- Integration with analytics tools like Tableau or Power BI for reporting.
 - Expansion to include teacher scheduling and performance tracking.
 - Mobile application support using ServiceNow Mobile Studio.
 - API-based connectivity with external systems and student databases.
 - AI-driven insights to monitor and predict student performance trends.
-
